To Whom It May Concern:

Scott M Favre PA, LLC was essential in the recovery after Webster County's fire loss at our courthouse. Without Favre PA, we would not have been able to rebuild, much less improve, the courthouse for the citizens of Webster County. Scott Favre's extensive knowledge and attention to detail relieved our stress during this troublesome time. I would highly recommend him to anyone who is dealing with an insurance claim.

Sincerely,

Pat Cummings, President
Webster County Board of Supervisors
